

M STREET CARS PROPOSED AGAIN

Congress Will Get Another Bill for New Line.

SAY OPPOSITION IS DYING

Promoters Hope for Less Hostility
From Property Holders—Would
Take Another Route.

One of the most interesting local bills that Congress will have to dispose of during the coming session will be the measure to allow the Great Falls and Old Dominion Railway Company to run a cross-town street car line in Washington from Georgetown to the Union station.

Already the promoters have arranged their plans for the passage of the bill. Last year there was some opposition by property holders along M street, and other streets which were proposed as the routes for the line.

Senate Favorable.

As a result of this, although the Senate Committee on the District of Columbia had favorably reported the bill granting the company the desired franchise, the opposition prevented the House committee from taking final action on it, owing to the great number of amendments the committee had to grant to the opponents of the bill.

This year, say the friends of the measure, the opposition is dying out, and, although some contest is feared, it is thought there will be comparatively little trouble in having Congress pass the bill.

Prefer One Street.

The backers of the road would like to have M street as the route across town, but, of course, if Congress says otherwise, they will have to put the road on any street designated in the bill as approved by the House and Senate committees.

The bill will be introduced at the first part of the session, and every effort will be made to have it passed without that delay which caused so much trouble last year. The friends of the road say that, if Congress will allow them, they will have it laid to the Union station as soon as the station is ready to handle passengers.

CLERGYMAN SERIOUSLY INJURED.

MILLVILLE, N. J., Oct. 7.—Word was received here that the Rev. Eli Gifford, a former pastor of the Second Methodist Church, of this city, now stationed at West Long Branch, had met with a serious accident while trimming some trees on his property. A piece of wood struck him on the head, knocking him unconscious, and inflicting a deep wound.

WORMS

"I had for years suffered from what medical men called Dyspepsia and Catarrh of the Stomach. In August I purchased a box of Cascarets and was surprised to find that I 'had em'—you—a wiggle, squirming mass left me. Judge our doctor's surprise when I showed him the box and the contents. I took the remainder about the same length of a tape-worm that had been sapping my vitality for years. I have enjoyed the best of health ever since. I trust this testimonial will appeal to other sufferers."

COMMUNISM REIGNS IN CITY OF FREIBURG

German Town Government Runs Cemetery, Abattoir, Railways, Theater, Bank and Pays Pensions Freely.

With big profits coming into the municipal coffers from the cemetery, owned and controlled by the city, with annuities made by municipal control of garbage collection, city railroads, the slaughterhouses, the pawnshop, and the saving bank, Freiburg, Germany, a city of 70,000, is bidding for the title of being the ideal city of municipal ownership.

Here wise men point to the pensions given the aged officers, teachers, widows and orphans, as showing the success of the plan.

There is the municipal theater also. The Consul Liefeld reports to the State Department, the city classes the stage with the schoolroom, and would as soon think of running its schools at a profit as the theater. Fully \$30,000 is contributed annually to support the theater.

ALEXANDRIA NEWS NOTES

ALEXANDRIA, Va., Oct. 7.—The city Democratic committee met yesterday and invited Republicans to vote in the primary to nominate a candidate for clerk of court, with the understanding that they would support the nominee. The polls will open at 6 o'clock next Thursday morning and remain open until 6 o'clock in the afternoon.

The only names submitted to the committee for the office of clerk of the courts were Neville S. Greenaway, the deputy clerk under Mr. Beach, and Charles Bendheim, the clerk recently appointed by Judge Barley. For the position of magistrate in the Second ward three names were handed in, William A. Moore, William H. May, and Frank Mason.

BAKER HOUSE BURNED.

The house of H. J. Brooklyn Financier Goes to Fight Castro

Asserting that He Was Frozen Out of a Good
Thing, James A. Radcliffe Demands
Concession or a Duel.

NEW YORK, Oct. 7.—James A. Radcliffe, a Brooklyn financier, will sail for Venezuela tomorrow, prepared to accept a concession from President Castro or fighting a duel with him. His challenge has preceded him by registered mail.

Radcliffe claims he was frozen out of the Minco companies, famous Manoa concessions, because Castro believed his treacherous partners had the friendship of President Roosevelt.

"To New Yorkers," said Mr. Radcliffe,

at his home in Brooklyn, "a challenge of this sort appeals only as a joke. But to Castro and all Venezuelans it is as serious as one can think. I mean business. If Castro will not hear me he will have to fight me."

Two Brooklyn men will accompany the fire-eating financier to Venezuela to act as his seconds.
